

EL SEGUNDO, Calif., March 13, 2012

The Boeing Company [NYSE: BA] has been awarded a contract to build 4 satellites for Asia Broadcast Satellite (ABS) and Satelites Mexicanos (Satmex) with options to build 4 additional satellites. The first two satellites - ABS-3A and Satmex 7, are scheduled to be delivered together in late 2014 or early 2015. Details about the other two satellites, including names and launch plans, will be announced at a later date.
